

# Attending a school board meeting

Notes assembled 2/2/09 M. Bischoff

Arrive a little early, so you're ready to take notes when the meeting starts.

Take notes on the agenda, if you can. It reduces waste, and you may write about the item next right to it.

Participate in discussion if you wish, but just being present and taking notes is your job.

The next day, send the notes to the OEA president. Complete a payment voucher (at the webpage [oronooea.org](http://oronooea.org)) for payment. The president will direct the treasurer to draw up the check for you, and will send it to you interoffice mail (or snail mail, if you prefer)

You will be paid for mileage at the district rate, and you will be paid for your attendance at the meeting at the contractual, extra assignment rate.
